# UNCONNECTED KNAPPS

arranged alphabetically

by

Alfred Averill Knapp,M.D.

from records collected by

Ezra Fred Knapp

and

Alfred Averill Knapp,M.D.

through their many years of research

and which they could not, at that time,

connect with any of the New England Immigrant Ancestors

bearing the name of Knapp,

but these records contained much genealogical information

too valuable to lose.

# Knapp Mills Is Organizing International Corporation

## Insmetal Developers With Plant in Wilmington Envisage Wide Network; Product Uses Found In Both Chemical and Nuclear Industries

An international corporation to manufacture a line of bimetals is being organized by Knapp Mills, whose plant at the foot of West Street has been developing the Insmetals for 13 years.

International Shielding Metals, Ltd., will be incorporated in Wilmington within a month, according to Alfred P. Knapp, chairman of the board, with affiliates in Canada, France, England, Italy, and this country, and others within a few months in Sweden, Germany, Japan, Australia, South Africa, India, and South America.

Insmetals are sheets of various metals in various thicknesses, bonded by some secret and some patented processes to sheets of lead. In nuclear shielding installations, the thickness of the lead may be 12 inches or more.

### Array Of Uses

A considerable array of uses for Insmetals have been found in the chemical and nuclear industries.

Since lead is a relatively inactive element, its corrosion-resistent properties are valuable in many chemical processes. Some Ferrolum—lead surfaced carbon steel—has been sold to the Du Pont Company for the Chambers Works, and Nicrolum—lead surfaced stainless steel or nickel alloys—to the Savannah River nuclear plant.

Mr. Knapp said that more than 50,000 tons of Insmetals have been produced in the 13 years—most of it fabricated at the Wilmington plant into retorts and autoclaves, and nuclear shielding prototypes for customers. Many of the items have been of Knapp design to meet the needs of new chemical processes.

Insmetals of various kinds are being used in some "spent-fuel-recovery units" under design for the atomic fleet, and they are finding ever-wider applications where a combination of the qualities of lead plus strength is needed.

### Refining Vessels

Knapp Mills continues as a major fabricator of lead devices. They just delivered and installed a $1,000,000 order of lead-lined vessels to the Kennecott Copper Division in Baltimore for electrolytic refining of copper.

However, International Shielding Metals, Ltd., is causing the most excitement at the foot of West Street now, and company officers have been flying both oceans in recent months to sign up affiliates.

It is a wholly-owned subsidiary of Knapp Mills. Its arrangements with the affiliates includes a licensing agreement, the supplying of technical help, and the training of personnel. Within the last few months, junior engineers and mechanics from Germany, England and France have served apprenticeships at the Wilmington plant, and great sheafs of specifications are pouring over the desks of Knapp engineers with problems to be solved for the foreign affiliates.

Producers of Insmetals so far are Canadian Vickers, Ltd., Montreal; Robatel et Mulatier, Lyon — a 130-year-old French engineering firm; David Brown Industries of Manchester, England; Officine Ing. DeMichelis & c., Milan, Italy, and Pacific Coast Engineering Company (Paceco), of Alameda, Calif.

Further search of Brandon records reveals marriage of Widow Lydia Knapp to James Tozier in 1809. No further mention.

Illness this past summer (1956) prevented me from continuing this personal search in Brandon — where there have been a big growth - in three times - for a kid w/ wife 3 young children to travel across the mountains to Brandon - and I did find a McLeod family resident there in that period - possibly Lydia's parents.

The well-known genealogist Mrs. Leonard Lewis Jacobus of Old Lyme, Conn. thinks I can undoubtedly have located the right family. But that is not proof to me and I'm still working on it when I can.

Will be glad to keep you informed of any pertinent discoveries.

Dr. Arnold H. Knapp, an eye specialist, died yesterday in the Harkness Pavilion, Columbia-Presbyterian Medical Center, after a long illness. His age was 86.

His father, Dr. Herman Knapp, founded the New York Ophthalmic and Aural Institute in 1869. This institution later became the Herman Knapp Memorial Eye Hospital, and in 1940 it became part of Columbia-Presbyterian.

The younger Dr. Knapp was a director of the Knapp Foundation in Ophthalmology, which administers the funds of the organization. Income is used for graduate study, teaching and research.

Dr. Knapp graduated from Harvard in 1889 and earned his medical degree at the Columbia College of Physicians and Surgeons in 1892. He was a professor of ophthalmology there from 1903 to 1928. In 1930, Columbia awarded to him the honorary degree of Doctor of Science.

For his achievement in the prevention of blindness, Dr. Knapp received the Leslie Dana gold medal in 1941. This is awarded annually by the St. Louis Society for the Blind on the recommendation of the Association for Research in Ophthalmology.

Dr. Knapp maintained a private practice until 1950, when he was incapacitated by illness. He had also been a consultant at Presbyterian, Roosevelt and the Harlem Eye and Ear Hospitals.

He was editor in chief of The Archives of Ophthalmology, founded by his father and published by the American Medical Association. He held membership in the University Club, the Century Club and the New York Athletic Club.

Surviving are two daughters, Miss Elizabeth Knapp of New York and Mrs. Ellen Morandiere of Charleston, S. C.; two sons, John A. and Dr. Philip Knapp of New York; a sister, Mrs. Maud Knapp Cox of New York, and five grandchildren.

Dr. Alfred A. Knapp
1031 Osceola Ave.
Winter Park, Florida

Dear Dr. Knapp:-

For many years I have tried to establish the parentage a Knapp ancestor, 480 - Anilla Knapp, born 10 September 1810, Stockbridge, Vt., married 21 February 1830, Danbury Township, then Huron County, Ohio, William Benajah Wolcott, and died 8 June 1893, Sandusky, Erie County, Ohio. She had two brothers. 8207 Charles Sumner Knapp, born 7 April 1807, married Deborah Shirley, and died 1895, Sandusky, Ohio. The other brother was 1126 - Chandler Stevens Knapp, born about 1812, married 1. Sophie Shirley, 8 January 1834, 2. Mary E. Dwelle, and died before January, 1853.

It has been said in a county history that Anilla Knapp came to Ohio in 1819, moved to Michigan in 1820, and returned to Ohio after a short stay in Michigan.

I would like to know whether you have any record or mention of the three people named above.

Thanks you for your kind attention.

Sincerely,

Merlin D. Wolcott

*The Rev. Charles C. Knapp, new pastor of the First Baptist church, officially began his ministry here this week when he and his family moved into the parsonage at 628 Lincoln street. Dr. and Mrs. Knapp and their three children, (from left) Katherine, Gwendolyn and Charles, Jr., motored here from Lewisburg, Pa., where he has served as minister of the First Baptist church since 1950.*

### Topsham School Graduates Wed Friday At Bradford

Topsham, Sept. 10—A quiet wedding was held at the Methodist parsonage in Bradford Friday night when Creola Knapp, daughter of Mr. and Mrs. Leander Dexter of Topsham and Arthur James, son of Frank James of Lancaster, N. H., were united in marriage. Rev. Johnson performed the ceremony.

The bride was attired in blue with white accessories and wore a corsage of pink glads. Her maid of honor was a sister, Mrs. Alfred McLam, who wore a blue checked suit with yellow glads. Best man was a nephew, James Keenan.

The bride and groom both attended Topsham schools.

Mr. James entered the armed forces October, 1948 and went to Germany, July, 1950, where he was until discharge in June of this year. He was a corporal at the time of his discharge.

For their wedding trip they visited his relatives in Lancaster, N. H., and her sister, Mrs. Clarence Moulton, of Claremont, N. H.

They will reside in Topsham where Mr. James has employment.

Dear Dr Knapp:

The past fall Mrs Madelyn Cutterbuck mentioned her meeting you. Your subsequent letter asking of my connection or possible connection to the Knapp Family Assn of Am. has remained unanswered while I collected the necessary information to transmit to you.

It does not appear that my family is connected to your association, but my own research is far from conclusive so I shall leave it to your evaluation.

I Philip Knapp - Born in Germany 1820; Came to US in 1838. Married Wilhelmina Graff. Died 1881. 10 children. Son Philip

A. Philip Knapp - Born 1856; Married; 1 son George. Died 1920

1.) George Sterling Knapp - Born 1891; Married Helen R Brown; 3 sons Died 1947

Children George, James, David living all

married. Six children so far. One more child (my first) expected next week.

I hope the above information may be of some help to you.

Very truly yours
David B Knapp

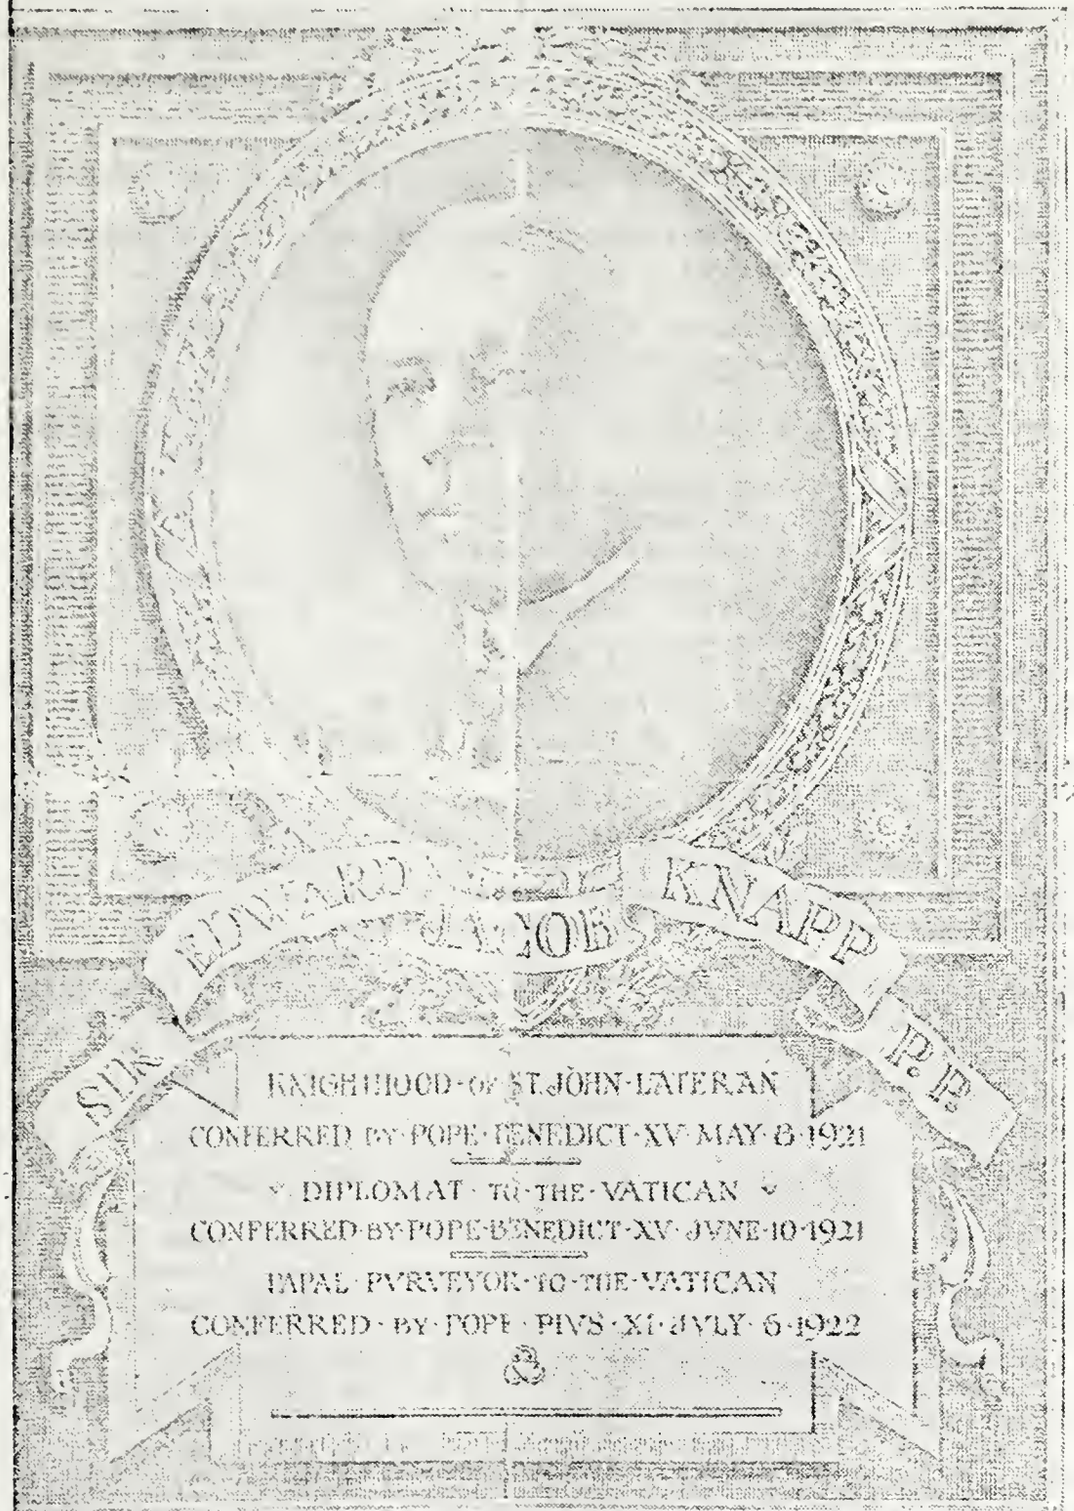
# Syracuse Resident Honored by Two Popes



Above are listed some of the rare papal honors conferred upon Edward J. Knapp of 1500 James street in appreciation of his invention of a sanctuary lamp which — has become standard in the Catholic church thruout the world.

Mr. Knapp at that time was appointed a diplomat from the Vatican by Pope Benedict bringing to the United States three Faculties for the late Bishop John Grimes of Syracuse.

At the personal solicitation of Pope Benedict, Mr. Knapp was knighted in the oldest church in the world, St. John Lateran. The matter of knighting the Syracusan was passed upon by the seven cardinals connected with this church.

**Treasure Gold Medals**

The Knapps also treasure two gold medals presented to them personally by Pope Benedict—an honor up to that time reserved exclusively for ambassadors and cardinals.

In 1926, Mr. and Mrs. Knapp returned from a second trip to Rome with a brick from the holy door in the Vatican, the personal gift of Pope Pius XI.

Bricks of the holy door, taken down every 25 years, are distributed among diplomats and notables of the church. The one presented to Mr. Knapp bears the name and crest of Cardinal Satolli, who was the first apostolic delegate to the United States.

Pope Pius further honored Mr. Knapp by making him papal purveyor to the Vatican with the privilege of using the pope's coat of arms over his signature. Mr. Knapp is the only man in the United States who enjoys this privilege.

# KNAPP PRIZES VARIOUS GIFTS FROM 2 POPES

## Only Man in U. S. Allowed to Use Coat of Arms Over Signature

The mass book and four breviaries used exclusively by Pope Benedict XV during his reign in the Vatican are a prize possession of Edward J. Knapp, 1500 James street, the only American ever to be honored by such a gift.

All the books are bound in white morocco with gold tooling. The cover of the mass book bears the papal coat of arms, while on its fly-leaf appears the following inscription, penned by the late Monsignor Straniero, who at the time of his death in 1912 was the oldest canon in the world:

"This beautiful missal was the gift of His Holiness Benedict XV to his former fellow student, the Rt. Rev. Monsignore Germano Straniero, D. D., Canon Dean of the Lateran church in Rome, for Xmas of 1921, a year before his death. In remembrance, it was offered to his friend, Edward J. Knapp of Syracuse, N. Y. (U. S. A.) Easter, 1924, Rome Italy—Germano Straniero."

**Similar Legends on Breviaries**

A similar inscription appears in the first of the four breviaries.

The gift of these rare volumes, several of whose pages bear notations in the pope's own handwriting, is only one of numerous unusual honors bestowed upon Mr. Knapp both by Pope Benedict XV and by his successor, Pope Pius XI, in appreciation of the Syracusan's service to the Catholic church by his invention in 1918 of a sanctuary lamp capable of burning continuously for eight days and eight nights.

Mr. Knapp's lamps were such an improvement over the antiquated oil lamps in general use during pre-war days that they have replaced the latter in all the principal Catholic churches in the United States, Canada and Europe. At the present time, several of the Knapp lamps are burning night and day in the pope's private sanctuary at the Vatican and also in St. Peter's and in St. John Lateran in Rome.

**Granted Private Audiences**

During a visit to Rome in 1921, Mr. and Mrs. Knapp had the honor of several private audiences with Pope Benedict. In their home today, they treasure as a memento of that occasion the pope's gift of a large photograph of himself at his desk in the Vatican. There is at the bottom of this photograph an inscription in French which the pope wrote and signed while the Syracusans stood beside his desk.

An English translation of this reads: "We pray God to bestow His grace and benediction upon Mr. Edward J. Knapp and also upon Mrs. Mary Elizabeth Knapp. At the Vatican, May 3, 1921."

## Coloradans to Get Ticket Preference

Ticket sales nationally for the 1957 Central City Opera Festival begin this week, but ticket requests from Coloradans will be given preference and priority, Davis W. Moore, executive vice president of the Central City Opera Assn., said Saturday.

Good seats are still available for all performances of this year's operas, Verdi's "Rigoletto," and Strauss' "The Gypsy Baron," he said. Tickets are on sale at the May Co. box office.

KNAPP—Eleanor L. [illegible], formerly of Rochester, and a member of Grace Methodist Church died at the hospital, Sidney, N. Y., June 23, 1959. She is survived by a sister, Mrs. A. Ash, Unadilla, N.Y., and several nieces and nephews.

—Funeral service will be held June 26, at 2 p.m. at the Joyce Funeral Home, Unadilla, N.Y. Interment in Oulcout Valley Cemetery, Franklin, N.Y.

# Central City Opera Signs Taussig, Two Newcomers

A popular performer at the Central City Opera House will join talents with two newcomers for the festival season which opens June 29.

Walter Taussig, chorus master and assistant conductor for the festival since 1950, will return again this year.

Making their Central City debuts will be Eleanor Knapp, mezzo-soprano, and Ralph Herbert, baritone.

Miss Knapp, for six seasons leading Philadelphia La Scala Opera Co. soprano, will sing the role of Maddalena in Verdi's "Rigoletto." Herbert will sing Zsupan in Johann Strauss' "The Gypsy Baron" and Monterona in "Rigoletto."

Herbert, a member of the Metropolitan Opera Co., is a native of Vienna. He is a member of the San Francisco Opera Co. and the New York Opera Co. and has sung nearly all great baritone roles with major opera groups.

He also has appeared with the New York Philharmonic Orchestra, Philadelphia Philharmonic Orchestra, Dallas Symphony and at the Berkshire Music Festival.

Taussig, also a native of Vienna, is a graduate of the Vienna State Academy of Music, and for the past nine years has been associate chorus master and conductor with the Metropolitan Opera Co.

Advance ticket sales for the season are on sale at the May Co. box office and telephone and mail orders are being accepted, officials said.

# MAN, 68, BEAT HIS SON-IN-LAW, COURT IS TOLD

### Fight Described by Witness in $10,000 Action for False Arrest

Under an old apple tree on a farm in Dewitt, Robert E. Wente, 24, of 423 Valley drive, a husky six-footer, battled with his father-in-law, Howard T. Knapp, 68, of Pompey, on the afternoon of June 17, 1929. Altho Knapp is several inches shorter and 50 pounds lighter, he was winning the fight when it was stopped, according to testimony given before Justice Cheney and a jury in supreme court yesterday afternoon.

The fight was described by Charles Eldridge of Dewitt while appearing as a witness for the defense in a $10,000 false arrest and malicious prosecution action brought by Wente against his father-in-law.

Wente was arrested for a motor vehicle violation that Knapp contended was a sequel to the battle and was acquitted in a trial before Justice Poole and a jury in Orville. The defense of Knapp was that while he was driving home after the fight he was pursued and was run down after dark by an unlighted truck that he alleged his son-in-law was driving.

**Elder Man Finished Fight**

Eldridge testified that Wente announced he was going to lick Knapp when the latter arrived at the farm.

"Wente started the fight, but the old gentleman finished it," Eldridge said.

"Did he finish it well?" asked Richard P. Byrne, Knapp's counsel.

"And how!" Eldridge replied emphatically and jurors and spectators laughed.

Knapp was astride his husky son-in-law and was punching him when others present pulled them apart, Eldridge testified.

It was brought out during the trial that Knapp's daughter eloped with Wente some time previous to the battle under the apple tree. Four days after the marriage, Wente visited the Knapp farm to get an automobile he had left there, also hoping to receive the parental blessing.

"He picked up a pitchfork and drove me away," Wente testified after saying that he was not the driver of the truck that hit Knapp's car and knew nothing whatever about the accident until he was arrested.

**Reputation Damaged**

Wente claimed his reputation was damaged by the arrest that he said was without cause. It was his opinion it was actuated by malice because Knapp did not approve of him as a son-in-law. Wente was represented by William B. Mangin and the case went to the jury shortly after 5 o'clock yesterday afternoon.

Mrs. Phoebe Pickering Knapp, 708 Tallman street, died yesterday at Crouse-Irving hospital. Surviving are her husband, Hulbert J. Knapp; and one brother, William C. Pickering of New York city. The body was taken to the undertaking rooms of Burns & O'Brien, where funeral services will be held at 2 o'clock Monday afternoon, Rev. Hubert S. Wood of Trinity Episcopal church officiating. Burial will be in Oakwood cemetery.

Mrs. Phoebe Knapp, 38, of 708 Tallman street, died at 1.40 o'clock yesterday afternoon in Crouse-Irving hospital, where she had been a patient only one day. Funeral arrangements are in charge of Burns & O'Brien, undertakers.

## BURIAL RITES MONDAY FOR MRS. ANNA KNAPP

Services for Mrs. Anna Marie Knapp, 61, wife of Howard T. Knapp of Jamesville, who died at her home yesterday morning, will take place at 2 o'clock Monday at the home. Burial will be in St. Mary's cemetery Minoa.

## Bobbitt Says Selection Has Approval of All Candidates.

Selection of James M. Knapp, speaker of the House of Representatives in the 1939 session of the Indiana General Assembly, as permanent chairman of the Republican State Convention May 24, was announced yesterday by Arch N. Bobbitt, G. O. P. state chairman.

Selection of Mr. Knapp to preside is regarded as party recognition of his outstanding work as speaker and of his long and distinguished legislative career, Mr. Bobbitt said. The state chairman said the appointment has approval of all the Republican candidates for nomination for Governor.

**Native of Hagerstown.**

Mr. Knapp was born Dec. 11, 1876, at Hagerstown and received his education in the Hagerstown public schools and was graduated from the Hagerstown High School in 1895. His first public post was that of truant officer under the first law governing that office in 1897. From 1908 to 1912 he was town clerk of Hagerstown and from 1915 to 1920 was a member of the town school board. During a 15 year service as a member of the Chautauqua Association, Mr Knapp served two years as president. From 1905 to 1907 he was a clerk in the United States House of Representatives.

Mr. Knapp's legislative experience in Indiana began in 1919 when he was elected a member of the House from Wayne county. He has served almost continuously since that time. He was a candidate for the nomination for Governor in 1932.

# Joan Knapp Wed To Mr. Germain In Goshen Church

A high-school friendship and a common interest in riding horses culminated in a storybook romance and a wedding at the Goshen Methodist Church on Saturday, April 13.

The principals were Joan Elizabeth Knapp, daughter of Mr. and Mrs. James E. Knapp of Goshen, and John Frederick Germain, son of Mr. and Mrs. Fred Germain Jr., also of this community. Graduates of Goshen Central School, the young couple were united in marriage by the Rev. Paul Brown at 2 p.m.

The bride and groom were both members of the G & M Riding Club and were well-known for their numerous exploits at horse shows.

The bride was given in marriage by her uncle, Arthur Jenkins of Hyde Park. The matron of honor was her sister, Mrs. Paul Siemiatkowski of Goshen. The bride was also attended by her aunt, Mrs. Richard Young of Lexington, Ky.

Robert Youngs of Denton was the best man. The ushers were Fred Germain III of Goshen, the groom's brother; Kenneth Germain of New Brunswick, a cousin; Joseph Berg of Woodstock.

Mrs. Evan Littlefield was the organist.

Following a trip to the Poconos, the couple will reside for the time being on Fletcher St., Goshen.

Mrs. Germain is employed by the Bank of Orange County. Her husband, an OCCC graduate, is now an Army Sp/3, stationed at West Point.

A reception at Eureka Steak House followed the ceremony.

Dear Dr. Knapp:

Your letter with the inclosed clipping came yesterday and I think that I can set your mind at rest about John Knapp and any of his descendants. They are of Skandinavian origin and are only first or second generation residents of this country. There is another group of Norwegian Knapps out in the central part of the state. There were at least two families of them and they have spread around a lot. Two of them, Cousins, live here in Grand Forks.

There were others of our family living in the neighborhood of Lisbon but they have died or moved away. The previous generation were Ed, Griff, and Dana Knapp. There was another brother lived in Montana near Miles City. Dana married and lived at Scobey, Montana. One of his boys is Dr. R. D. Knapp of Wolf Point, Montana. Ed had a boy. Harry, who lives somewhere in Colorado and another one, Burt, who lives up in the Cobalt country north of Lake Superior. Griff had a son, Claire, who lives someplace in Southern Minnesota. Claire's son Tom lives at Williston N. D.

Thanks for the information regarding Milored. I stopped in Iowa City to see her once about five years ago but the folks living in her house said that she was in Europe. Will you hand her the inclosed note. I liked her very much fifty years ago.

Thanking you again

I remain,

Newell B. Knapp

## International Bank Promotes 3

J. Burke Knapp

Davidson Sommers

W. A. B. Iliff

The promotion of three officers of the International Bank for Reconstruction and Development to be vice presidents of the bank, was announced yesterday by Eugene R. Black, president.

The three are: W. A. B. Iliff, who has been assistant to the president; J. Burke Knapp, who has been director of operations for the Western Hemisphere, and Davidson Sommers, who has been and will continue to be general counsel.

The appointments follow the resignation this week of Robert L. Garner as vice president. He left to become president of the International Finance Corporation, a new affiliate of the bank. Acording to the bank the appointments reflect the growing volume of the bank's operations and an increase in the burdens of management.

Mr. Iliff has been part of the bank's management since 1951 as assistant to the president. He went to the bank in 1948 as director of the loan department. Prior to that he had served the British Government in various financial capacities throughout the world.

Mr. Knapp has been with the bank since 1948. Since 1952 he has been director of the Department of Operations for the Western Hemisphere. Prior to that he held various economic posts with the United States Government.

Mr. Sommers has been the bank's general counsel since 1949. He will serve as general counsel for the new International Finance Corporation.

Mr. Black also announced the appointment of Aron Broches as associate general counsel and director of the bank's legal department. He formerly was assistant general counsel. Mr. Orvis A. Schmidt was named director of the Department fo Operations for the Western Hemisphere. He had been assistant director.

Dear Dr. Knapp:

While at the Library yesterday, I came across a biography on Louis Knapp, found in "The Centennial History of Oregon 1811-1911" Vol. IV by Joseph Gaston, pages 668-69. Do you have it, and would you like a full copy of it?

It starts: Louis Knapp is one of the important and well-known business men of Curry Co., where during the course of more than half a century's residence he has become identified with important and representative enterprises. He is conducting a fine hotel in Port Orford which he erected in 1887 and is the owner of 2000 acres of land divided into two ranches and well-stocked with high-grade cattle and sheep..... He was born in Baltimore, Maryland July 4, 1843, a son of John and Rachel Knapp, natives of Germany, who came to America at different times ..... On October 18, 1893, Mr. Knapp married Miss Ella Stagg, a native of Oregon and a daughter of Nicolas and Adaline (Chaffee) Stagg..... Four children: Louis born February 13, 1895 and who is attending Columbia University from which institution he will graduate in 1913; Orris born September 8, 1896 who is also attending the University; Lloyd born July 23, 1899, a pupil in public schools; Marion born January 7, 1905 and died March 2, 1905.....

Since Louis Knapp's parents were natives of Germany, no doubt he is one of the Knapp you have in your Miscellaneous File. I was interested in noting the number of unconnected Knapps you have already collected -- 9000 in number. If you are still making a collection, and would like some vital statistics of Knapps in Alameda County, I shall be very happy to get them for you. It is always a pleasure for me to secure and send data to anyone who appreciates it. Entirely gratis, of course.

Sincerely,

Harriet E. Siebert

Dear Doctor Knapp:

Greetings for the New Year and best wishes for much success and satisfaction in the interesting work that you are doing. Since my last correspondence with you a year ago, I have spent many,many hours doing research-- in the Library of Congress, the Iowa State Historical Library, the Lee County Court House(erected in 1842) old cemetaries and"what-have-you". Due to my inexperience, progress has been reduced to a "snail's pace" and I haven't too much to bring you at this time, however, the following are some of the facts I have gleaned and the enclosures will, I trust, verify them;

From the old records in Lee County, I found that Reuben--Rheuben and R.J.Knapp were one and the same person who at one time was a resident of Kent, Putnam County, New York. The enclosed affidavits will substantiate this fact. This man was my Grandfather's (Knowlton or Newton Knapp) brother, a fact that my Father verified before his death two years ago, also

The enclosed excerpts from early Lee County Census Records will show how many of the names were changed and carried over, "down the years". For some reason my Grandfather changed his name from Knowlton Knapp in the 1860 census to Newton Knapp in 1870, also

I found in "The Index on Claims of Soldiers of the War of 1812-14" the following ------"Benjamin Knapp # 5,893, of Kent, Putnam County,New York and the amount allowed was $38.00" I am convinced that this man was the father of Auben and Newton Knapp and my Great-grandfather and that---
Benjamin Knapp, born in New York,on Oct,26,1795 and married to
Sarah Newton-Barrett, born in New York, Feb,26,1801, who was the daughter of---
Reuben Barrett, born Dec,18,1763, and died August 17,1820, and
Elizabeth "Betsey" Newton, born Nov,14,1770 and died Aug,17,1826 Was one and the same Benjamin Knapp.

Now I am wondering if the Benjamin Knapp referred to in the following could be the same? Henry Knapp, born in 1772 and married to Hannah, had children --- Rachel, Lydia , William, Walter, Milan, Elias , Reuben and Benjamin who married Sarah Barrett. If not I would say it is quite a coincidence but I am getting "fuzzy" trying to unsnarl the records. I must admit that it is most interesting and I have learned a lot of early history that I didn't know before or had forgotten.

I do want to thank you for the help and encouragement you gave me and if you have suggestions or further aid that you care to pass along I will be most grateful and will pay you for this service. If there is anything in the enclosed that you can use just keep it but I will ask that the affidavits be returned please. If you find there is no connection between my line and the thousands on your list then I am in a quandary regarding "from whence I came". Again with best wishes, I am,

Sincerely,

Ethel Knapp Seidler
